

Waterford ETNS Junior Maths Challenge

1. How many sheep are on the hill? _____
2. How many apples are on the tree? _____
3. How many clouds are in the sky? _____
4. Which is bigger the cat or the horse? _____
5. Which is smaller the cow or the frog? _____
6. How many animals are there altogether? _____

Draw two cows. One cow with 8 spots and one cow with 4 spots.
How many spots do they have altogether? Can you write a sum for this?
