

Waterford ETNS

Middle Maths Challenge

World Ocean Day 8th of June

Answer the following questions based on the pricelist:

1. How much would it cost for a group of 3 adults to go on the ferry?

2. How much would it cost for 1 adult and 3 children to go on the ferry?

3. How much would it cost to bring 1 adult, 1 child, 1 student and 1 OAP to go on the ferry?

4. How much does a family save by buying the family ticket rather than individual tickets?

5. How much would it cost to bring a school tour of 4 adults and 26 children on the ferry?

1. Colour the sail in a 3 colour pattern

e.g. red, green, yellow

2. Draw 6 more birds in the sky.

3. How many birds are in the sky?

4. Decorate the rest of the picture.
